

### REMARKS

Claims 1-13 are pending. The amendments are fully supported by the original disclosure and, thus, no new matter is added by their entry. For example, typographical errors and other informalities are corrected. Claims 3-4 are amended to conform with U.S. practice: preferred limitations are canceled and put into separate dependent claims 12-13, respectively.

Paper and computer readable forms of the Sequence Listing do not add new matter, and their contents are the same. It is respectfully submitted that the attached complies with 37 CFR § 1.821 et seq. Otherwise, prompt notice of any defects in the Sequence Listing is earnestly solicited and additional time is requested to comply.

Applicants earnestly solicit an early and favorable examination on the merits. The Examiner is invited to contact the undersigned if any further information is required.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
